

Wonderful *Evil* People

by David J. Stewart

"There is NO FEAR OF GOD before their eyes" (Romans 3:18).

I realize that this is a strange sounding title; but, even more strange is the sad fact that some of histories' most evil people were (or are) regarded as wonderful people by society. There are some very evil people in this world, who are rotten to the core; yet, do some very charitable things.

Therefore, they are often considered wonderful people, in spite of their evils. Disturbingly, many of them are elevated, even honored, by society. I would like to expose a few such imposters. No doubt, by the end of this article, I may EXPOSE one of your heroes as an evil villain.

Al Capone was Recognized by Many People as a Generous Man

History records that Al Capone, one of histories most notorious criminal gangsters, actually opened several soup kitchens around Chicago for poor people during the Great Depression years. Many of Chicago's citizens thought highly of Al Capone. A simple web search under "[Al Capone soup kitchens](#)" will provide plenty of historical [information](#) for you to read.

The truth is that Al Capone was a murdering monster--who built his hundred million dollar empire upon racketeering, bootlegging, prostitution, murdering, extortion, gambling, speakeasies (illegal barrooms), etc. It is so typical of people... multitudes of Chicagoans were willing to overlook the horrendous evils of Al Capone, in exchange for a bowl of soup. Esau wasn't the only fool. In the Bible, Esau willingly gave up his birthright, for a bowl of soup.

Has anything really changed in the past 6,000 years? Even some of Chicago's police officers and politicians accepted bribes (payoffs) from Al Capone to look the other

way. Al Capone is a classic example of what I term "wonderful evil people." Many such people exist today.

All of Today's Presidents talk like Christians

Hitler often spoke as if he were a Christian. If I were to read to you some of Hitler's statements, you'd think he was a man of God. It was Hitler who said the following...

"If we continue on this path, respectable, industrious and honest, if we fulfill our duty faithfully, it is my conviction, the Lord God will continually help us in the future. He will not leave respectable people in the lurch indefinitely. He may test them, but in the end He lets His sun shine upon them and gives them His blessing."

Most people would wrongly guess that such words were spoken by Billy Graham, Jack Van Impe, Billy Sunday, or Dwight Moody. Adolph Hitler also called his plan "Positive Christianity." Watch out for the "positive" pushers!

I hear Christians (and see Christian websites) speaking so highly of former President, Ronald Reagan. Few Christians care to do their homework and learn the truth about such a horrible man. Reagan was the one who legalized astrology in the state of California while governor. It was during Reagan's administration as President that the unconstitutional "[Operation Garden Plot](#)" was developed (a system of internment camps for U.S. citizens in the event of a national uprising).

Now why would our government be worried about American citizens revolting? Read my [Evils in Government](#) page and you'll know why. The imminent bankruptcy of the U.S. by the privately owned Federal Reserve bankers is reason enough. Reagan's wife, Nancy, was a spiritualist who invited demonic psychics into The White House to perform their occult witchcraft. How could any professed "Christian" praise such an evil family. The same is true of Abraham Lincoln's wife, and Hilary Clinton. *The White House* is no place for occult Satanism, but it's there.

Just because someone mentions the Lord or acts like a Christian, does not mean they are following the Lord Jesus Christ. The real test is — are they following the word of God? In Matthew 7:15, Jesus warns of "false prophets, which appear to you in sheep's clothing [as a Christian] but inwardly are ravening wolves." Few people realized (at the time) that Hitler was infatuated with the occult, levitation, and other forms of demonism.

Today, we know better. Hitler was a Satanist. However, at the same time Hitler was at his pinnacle of power, he was esteemed as a great man. Not only by the German people, but by many U.S. politicians and corporate leaders. Henry Ford was a personal friend of Adolph Hitler. Hitler even hung a picture of Henry Ford in his office.

The presidency of George W. Bush is eerily reminiscent of Hitler. George W. Bush is also an occult member of *Skull and Bones* and *Bohemian Grove*. Bush's father is a

member of *Freemasonry*, one of the biggest Satanic occult groups on the planet. The Bush family speaks as if they were Christians, but they certainly are not. George W. Bush has openly declared that Muslims and Christians worship the SAME God. The Word of God condemns such foolishness. 1st John 2:22 plainly declares EVERY devout Muslim as an ANTI-Christ and a LIAR for denying that Jesus is the Christ! George W. Bush is NO Christian, don't be fooled by his rhetoric. [Here's how wonderful the Bush family is.](#)

The Bush Administration has relentlessly blocked every attempt to investigate the truth behind 911. It was George W. Bush who signed presidential executive order w199i prior to 911, effectively blocking all attempts by the FBI and the Justice Department from investigating the suspect terrorists. No doubt, this is why Bush sat there for over 5-minutes on the morning of 911, AFTER being told that the country was under attack. Bush KNEW exactly what was going to happen, which is why he allowed over 170 members the Bin Laden family to fly out of the U.S. on 911.

Why would you let the suspect terrorists go? Now Bush is even giving control of our ports over to these same criminals. Something smells rotten in Washington. This whole war on the Iraqi people is treacherous treason. American citizens are being stuck with a bill for hundreds of billions of dollars in the form of debt, to pay for the godless war in Iraq. There is little doubt that most of that money is being stolen.

I hear so many Christian people talking like complete fools, saying that we have to "go get those horrible "terrorists" before they get us." Doesn't anyone think anymore? It's so obvious that the whole Iraqi ordeal is criminal. There is NO legitimate war on terror. The only enemy is the one which the New World Order gang has created to scare us into submission, into giving up our RIGHTS in exchange for security (a losing deal any way you look at it). Well, we are losing our rights, because of ignorant Christians who continue to support these criminals in Washington.

[Congresswoman Cynthia McKinney](#) is so right... a criminal syndicate is running the U.S.! And most Christian organizations are more interested in selling books than anything else. It's sickening! God's children should be on the front lines, standing up against evil and proclaiming the truth of God's Word. Instead, they sell books and only seem concerned about making a living. America is going to Hell. Is it nothing to you? Stop supporting a demonic president. By the way, I am neither Democrat or Republican, they're BOTH evil to the core! Most of the government leaders which you think are so wonderful, are rotten to the core.

Many of Hollywood's Celebrities are Charitable

After the 911 attacks, some of the most immoral and godless people on earth (Hollywood) got together to raise money for 911 victims. The celebrities were praised by people all across America for their heroic efforts. I'm glad that Bill O'Reilly brought attention to the fact that most of the donations were being [STOLEN by charitable organizations](#). Big deal! Some Hollywood stars raised money... so

what? It doesn't mean anything if the money didn't get to the people it was supposed to be collected for (which it didn't). It's sickening! I would never give a dime to *United Way* or *Red Cross*!

Furthermore, Hollywood has destroyed millions of families with their spirit of adultery, murder, and every other sin imaginable. I realize that it's the sinful public that keeps Hollywood actors and producers employed; but, Hollywood is mostly to blame. Just as a drug-dealer who supplies his customers, Hollywood supplies filth to its customers. Hollywood actors are vomit in the site of God. Most Americans have been desensitized towards sin and see little harm or evil in Hollywood's movies. Let me tell you, Hollywood is straight out of Hell.

Cursing in God's name is a hallmark of Hollywood actors and movies. Even PG-13 rated movies contain cursing in God's holy name. Isn't it interesting that even professed atheists will curse in God's name? Most people have become so accustomed to hearing God's holy name taken in vain, that it doesn't even disturb them. Deuteronomy 5:11 pronounces judgment upon anyone who takes God's name in vain!

Hollywood actors get paid millions of dollars to lie in bed with strangers and make love. They kiss and fondle each other's private areas, claiming innocence in the name of simply doing their job. They commit adultery on the screen for the whole world to see, creating lasciviousness in their victims. It is the lasciviousness which Hollywood movies create that has caused millions of divorces.

Hollywood is guilty because they are the producers and promoters of such immoral filth. Hollywood movies cause husbands to lust after other women, and wives after other men. This is evil. Adultery is a sin, which was punishable by death in the Old Testament (Leviticus 20:10). Jesus clarified the Law in Matthew 5:28, by teaching that even thoughts of adultery are sinful. Hollywood movies cause people to lust. It is such wickedness which brings the judgments of God upon a nation (Romans 1:32).

Although Hollywood's celebrities many seem like wonderful people for making random acts of charity; they are rotten to the core for deliberately creating adulterous and murderous immoral films, which curse in God's name, and mock the Lord Jesus Christ. Even Mel Gibson's pathetic [*The Passion of Christ*](#), employed a [*porn queen*](#) to play the role of Jesus Christ. Hollywood is much worse than Sodom and Gomorrah in the Old Testament, and the Lake of Fire will be their future home (2nd Thessalonians 1:8).

Other "Wonderful" Evil people

[*Oprah Winfrey*](#) has given tens-of-millions of dollars to African and African-American causes; but, she is leading millions of people [*straight into Hell*](#) by promoting the godless and unbiblical New Age movement on her show. [*Oprah is NO Christian*](#). I am not trying to be unkind; but, I am trying to warn you that some of the most "wonderful" people in society today are dangerous and need to be avoided. Oprah is

working for the Devil by leading people into the occult, and away from the plain teachings of the Word of God. Oprah has clearly stated on her show that Jesus can't possibly be the only way to Heaven. [Watch it for yourself](#).

No amount of charity can undo the damage being done by such people.

In 2000, *NBC* honored the late [Margaret Sanger](#) (founder of *Planned Parenthood*) as a great humanitarian. If you want to know the gruesome truth about Margaret Sanger, then please visit www.blackgenocide.org.

I could literally wrote a book on all the "wonderful" evil people in this world. The religious leaders of Jesus' day were elevated above the people. It was the Scribes and Pharisees who wore the best of clothing, drank from golden cups, ate the best of meals, and enjoyed the best of everything; yet, Jesus called them whited sepulchres filled with dead men's bones, **"Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whited sepulchres, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness"** (Matthew 23:27).

You see, the Pharisees were wonderful evil people—wonderful in the eyes of most people; but hypocritical criminals in the eyes of God. They were phonies, putting on a religious show for the people. They're are many such people in the world today, religious; but lost.

God is absolutely disgusted with the country music industry. There's been quite a few shows lately on TV, showing all the wonderful things that country singers are doing with some of their money. They'll show a family getting their house renovated, or a poor family receiving some type of financial aid. These are "wonderful" things; but, what about all the smut and filth in their sexually promiscuous videos?

Female country artists are some of the biggest whores in the entertainment business. There is not anything on TV any more disgusting than country music videos. It's a curse upon America. Country music and adultery go hand-in-hand. Country music has a history of being adulterous and immoral. Songs such as "Overnight Male" by George Strait and "Heaven's Just a Sin Away" (sang by by *The Kendalls*, Loretta Lynn, Kitty Wells, and others) are despicable. Most country songs are nothing less than a 3-minute soap opera.

Do you know what you get when you play a country song backwards? You get your job back, your wife back, your truck back, your dog back, etc. Seriously, country music has some of the most adulterous and sinful music every produced. There are many country artists who are promoted to the masses as "wonderful" people; but, they are adulterous pigs with no fear of God in their lives. They live for their belly (Philippians 3:19). They'll sing anything to make a buck. This is why you've got [Dolly Parton singing LED ZEPPELIN!](#) And she calls herself a Christian?

Oliver North has been promoted much lately as a great war hero. In reality, Oliver North is an accomplice to [illegal drug-smuggling](#) by members of our own government

(CIA) into America. [Oliver North](#) is a no hero! Congresswoman Maxine Waters exposed much of the illegal drug-trafficking by our own government. Thank God for Ms. Waters, and for Congresswoman Cynthia McKinney, who said in 2006 that our nation is [being run by a criminal syndicate](#).

Oliver North has helped KILL Americans by being a party to such drug-trafficking evils. I have no respect for someone who blindly follows orders, even though they KNOW what they are doing is hurting families and killing people. I think anyone who helps bring illegal drugs onto America streets is scum. Aren't they such "wonderful" evil people? No, the truth is that they are evil to the core and will give account to God when they die.

Martin Luther King Jr. and his wife were no heroes; yet, millions of people have been "brainwashed" to recognize them as "wonderful" people. Read the ugly [truth about Martin Luther King Jr.](#)

- [King was a Communist!](#)
- [Martin Luther King EXPOSED!](#)
- [King was an imposter](#)
- [Coretta King \(his wife\) was a friend of homosexuals and fought for homosexual rights](#)

No God-fearing Christian would ever defend gay and lesbian rights. King and his wife were of the Devil. We may have God-given freedom; BUT, never a God-given right to sin. Homosexuality is a horrible sin (Romans 1:25-32). No one has a right to sin. Civil rights is one thing, sinful rights is another.

I could write a very thick book on thousands of "wonderful" evil people who ought to be demoted, not promoted. All we hear on the radio nowadays is homosexuals, witches, Bible-haters, drug addicts, occultists, degenerates, whores, pedophiles and sickos. **"There is NO FEAR OF GOD before their eyes"** (Romans 3:18).

There are Many "wonderful" People in America's Churches

It's time for born again Christians to start exposing the works of darkness as Ephesians 5:11 commands us to! God is disgusted with all of the churches across America that meet every Sunday to play church. The offering plate is passed, a few hymns are sung, a joke or two is told, and then the sermonette is given. No wonder America is going to Hell. The truth is that America's churches are in the most deplorable condition they've ever been in.

Most Bible-believing Christians have been "brainwashed" by ignorant preachers who think George W. Bush is a man of God. Bush is a lying, mass-murdering, stealing, deceiving, occult inspired President. I DO respect the office of president; but, that certainly does not eliminate my First Amendment right to speak out against the evils in Washington. I can't believe how brainwashed the average believer is on this matter.

Folks, OUR government is doing what they do, in OUR name, and with OUR money. We are all responsible for the innocent bloodshed in Iraq. This entire war is absurd. Our borders are wide open, and yet we are lied to that our nation is in great danger from "terrorists." So while U.S. citizens are being breast-groped in Airports across the country, millions of illegal immigrants continue to flood over our borders undetected. Who's kidding who? Please don't continue being a loyal fool to the leaders who are helping to destroying America.

There are false prophets like Creflo Dollar, Benny Hinn, and T.D. Jakes all over the place, teaching their lies and heresy. Tragically, only a handful of Bible-believing Christians are exposing these imposters. Where is the church? I hate to say it; but church (as we know it today), is the problem in America. Every church service should be like a Billy Sunday revival meeting. Preachers need to let-err-rip. Preachers need to start proclaiming the truth, like they're actually excited about what they're saying. Folks, preaching is truth set on fire!!!

We've lost our fire in America as Christians. It is not God's Holy Spirit Who has been diminished; but our faith in God. Every believers needs to become as narrow-minded as the Word of God. We don't need more preachers, we need men of God! God doesn't use churches, he uses men of God who lead churches. God's men have always been rebels against sinful society and formal religion. Jesus implied that there would be little faith when He returns (Luke 18:8). How's your faith?

Let us be alert and vigilant against those imposters, who appear to be "wonderful" people; but, in reality, are working for the Devil.

"There is NO FEAR OF GOD before their eyes" (Romans 3:18).
